# DI GI CHARAT THEATER™

## Dejiko's Summer Vacation Piyoko is Number One!

### Key Selling Points

- Backed by the Di Gi Charat line of animation series, trading cards, and video games.
- Edited and published by the highly acclaimed Synch-Point production team.
- Published in authentic Japanese right-to-left format.

### Summary

*Di Gi Charat Theater: Dejiko's Summer Vacation* follows Dejiko and her friends as they turn common everyday occurrences into something a little more FUN! Join them as they hit the beach, switch bodies (?), blow up the Black Gema Gema Gang (??), and discover the secret of Hokke Mirin, a two dimensional cat that walks sideways (???).

Okay. So most of those situations don't seem very common, afterall...

*Piyoko is Number One!*, on the other hand, focuses on Dejiko's nemesis, the so-called "evil" Piyoko. As leader of the Black Gema Gema Gang, her mission is to kidnap Dejiko and hold her ransom, so that her poor planet Analogue can survive!

But there's a problem. She always seems to fail... with hilarious results.

Features ten or more stories by some of Japan's most talented manga artists, including Koge-Do bo (*Di Gi Charat*, *Pita-Ten*) and Kanan (*Galaxy Angel*)! Complete with character profiles, translation notes, behind-the-scenes, and more!

## ABOUT BROCCOLI

---

Broccoli is a name that people have come to recognize in the field of anime and manga merchandise. Broccoli International's Japan-based parent company, Broccoli, opened Gamers, a store catered to the Japanese animation, comics, and card game fans in 1996. Fueled with the excitement of animation, game and modeling fandom with exclusive merchandise and innovative goods, Gamers is now the second largest character goods store in Japan. Established to meet the demand for quality character goods in North America, South America, and Europe, Broccoli International provides several services, including import and distribution of Japanese Broccoli products.

Broccoli provides quality character goods that are both innovative and useful. From slick accessories like bags and hats, stationery (folders, notebooks), and even tremendously popular card games, Broccoli both licenses and holds the license to several very popular product lines. Broccoli International USA, Inc. is proud to bring these quality goods and more to the United States.

Synch-Point and Broccoli Books are both divisions of Broccoli International. Synch-Point deals in the production of English language versions of Japanese animation (anime), while Broccoli Books specializes in the localization of Japanese literature, mainly comic books (manga).
